

*An enthusiastic recruit practices bayonet drill at "Boot Camp."*

*A marine learns the technique of climbing a wall—one of the fundamentals of street fighting.*

*Trainees crawl under a barbed wire obstacle, part of an infiltration course. Later they will crawl under a similar set of obstacles while machine-gun fire passes overhead.*

*During practice landing operations, a group of marines haul a 75 mm. pack howitzer from a landing craft.*

*Ski patrols move out against the "enemy" as part of Marine training maneuvers in California.*
